91% of Healthcare Companies Suffered a Breach in Last Two Years!

Forty percent of health care organizations have had more than five data breaches according to a study done by the Ponemon Institute. Experian predicts that healthcare companies will remain one of the most targeted sectors by attackers due to its value on the black market. Medical records are worth up to ten times more than credit card numbers

Experian suggests that health organizations focus on training employees in management and handling of data on a regular basis, as well as continue to invest in up-to-date security technologies.

Check This Out For Your Next Barbecue!

Reality television show Shark Tank has always had interesting ideas; some that seem kind of ridiculous and not very practical. Here's a few you can really use!

- eCreamery Ice Cream makes ice cream exactly how you want it!
- Custard Stand Hot Dog Chili is 100% beef and free of trans fat, gluten and fillers!
- Slawsa is a condiment made of cabbage and mustard that can top hot dogs, burgers, even tacos!
- Me & The Bees Lemonade is made with flaxseed and comes in 4 flavors!
